Send the amount of your taxes as per your notice from Clayton and Mora; do not include penalties and fines, this matter will be settled later and will probably all or part be eliminated. Do not write your County Treasurer at Mosquero for the amount of your taxes as he does not know the amount yet. Both Clayton and Mora have notified you the regular amount and you send that amount to him and hold your post card receipt until you get your regular receipt. But, remember, Pay your Taxes now and before August 1st.

Summer Institute Closes

The Harding County Summer Institute closed last Saturday after being in session the past two weeks. Mrs. Coffeen reports an excellent institute and that great deal of work was done during the two weeks work. Over twenty teachers were in attendance and several of those present took the teachers examination on Friday and Saturday. Teachers were in attendance from all parts of the county and all expressed themselves well pleased with the Conductor Mrs. Leona Logue and the Instructor Miss Pankratz, and asked the County Supt to reemploy them for the 1922 Institute. The people of Roy appreciate very much the holding of the Normal here and we are glad to have them come back next year and promise them that our new high school will be thrown open to them for their work. No doubt the Commissioners will provide for a four weeks or six weeks Normal next year and we believe that the County Superintendent can do no better than reemploy Mrs. Logue and Miss Pankratz for the work. Both are able instructors and understand the work and have proven their worth and the people of Roy will be glad to see them back again next year and we are sure the teachers of the County have a like opinion.

NOTICE  
Roy Lodge No. 46 K. of P. will meet Monday night July 18. All members are requested to be present. Election of officers and various other matters of importance must be attended to.

The School Board Holds Meeting

The School Board held their regular monthly meeting Friday evening and attended to the regular routine of business. Mr. Douglass, assistant State Supt was present at the meeting and gave the Board advice on a number of matters. The purchase of school furniture for both the High School and the Public School was put off for later consideration. Several matters of importance were disposed of. The Board notified the Clerk to take up the matter of last year's budget with the Co. Treasurer and County Superintendent and see why we had gotten such a small amount of the budget, scarcely one third when at least 75 percent of the taxes had been paid. Several petitions were before the Board for consideration and disposed of. The matter of this year's budget will receive further consideration when the County Commissioners and County Board of Education meet on the 25th. Supt Hendricks is on the ground working hard to build up one of the best small High Schools in the state and the Board is doing all in its power to assist him.

Mr. C. Weatherill left Monday for Springer, where he met his wife and daughter Helen. Mrs. Weatherill has been visiting with the John Van Dyne family the past week or so, we noticed that Pa Pa could not stand the bachelor life, and the results were that he went after them and returned home Wednesday evening.

Mrs. C. C. Taylor, formerly of Roy, but now a resident of Tucumcari, visited with Mrs. F. A. Roy a few days the first of the week, this was her first trip here in three years, and it pleased her to see the town progress along as it has since she left this place. We would not be a bit surprised to see her and Mr. Taylor returning back to Roy in the near future, good company is always welcome to our community. Mrs. Taylor returned to her home Wednesday.

The opening of the section line west from the C. L. Justice residence was brot up for consideration but tabled indefinitely.

Base Ball News

In a loosely played game of ball Sunday on the Roy diamond Roy defeated the strong Springer line up by a score of 11 to 9. The features of the game, if any was the heavy hitting on both sides, Roy getting three home runs, and Springer one.

It seems like the trip that was made by our boys to and from Raton in all the mud, was a little out of the ordinary for them not being used to such hard trips, therefore they did not play their usual game. There was also something wrong with the Springer boys, for they did not play their usual brand of ball.

Next Sunday, Roy plays the fast Kephart team here, and it has been rumored that Roy Hephner will pitch for them, if he pitches anything like he did against Roy last year, it will mean that the Roy team will have to show some pep and skill. Mr. Hephner pitched for the Roy team at Raton, and he held them down to four hits, and if he does the same thing next Sunday against Roy, we promise you that you will have the pleasure of witnessing one of the best games played on the Roy diamond this season.

J. E. Mahoney left for LeRoy Minnesota Friday (now this is not Jack but his cousin) where he will look after his interests for the balance of the summer. J. E. rented his farm southeast of Roy to J. H. Sansbury who will plant it to wheat this fall. Mr. Mahoney has been visiting friends and relatives here for several months and his many friends were glad to see him again. He homesteaded here in the early day and in 1908 in company with the Wright boys, J. W. Johnson and ye Associate Editor (walked must we say) to Pratt, Kansas for a harvest job. To be sure J. E. will read the S-A. for the coming year.

Axel Magnusen and family of Crafton, Nebraska have been on the Mesa the past week making arrangements to have his land out in the Woodward neighborhood sowed to wheat this fall. He leased the place to Joe Mitchell which means that he has an excellent tenant and will get a wheat crop if there is any raised on the Mesa. Mr. Magnusen homesteaded in the early days but like many others proved up and left his claim and went back east but retaining his land here. While here Axel had his name enrolled among our thousand readers and will get all the news of Harding County all the time, by reading the best paper in northeastern New Mexico.

Encampment Doing

The Mesa Encampment met last Friday night and had a lively time, after the regular business the following Executive officers were installed:

Lewis Second W., Tom Strong Third W., Dr. Gibbs Fourth W., Joe Mitchell 1st G. of Tents, A. M. Davenport 2nd G. of Tents, A. J. Hern Inside Sentinel, Homer Holmes Outside Sentinel. After the installation of officers and a few well prepared talks lodge closed at eleven P. M. and then, talk about refreshments they sure had it, every member went home resolved never to miss another meeting of the Encampment. Be sure to come next meeting night Friday July 22nd and come early as we must open lodge prompt at eight P. M. in order to get through before midnight.

Editor Johnson is on the sick list this week, he is being taken care of by Dr. Plumlee at the Plumlee Hospital, and is doing very nicely at this writing. We hope that he will soon be out again to join the force, which are somewhat handicapped on account of having a lot of work on hand.

Assistant State Supt. of Schools Mr. Douglass was in Roy several days last week and met with the Board Friday night. Mr. Douglass was well pleased with the prospects for the new Harding County High School also with the excellent crops of teachers that has been employed by the Board of Education of Roy. The State Department is going to expect some excellent work from the Roy Schools this winter and we do not intend to disappoint the Department. Mr. Douglass is highly in favor of consolidation, where the distance is not too great and believes the great advantages gained is well worth the extra cost it will make. He also gave the Board advice on a number of matters which will aid them in getting the County High School on an accredited basis at once. Mr. Douglass visited the Harding County Institute and was glad to note the fine showing being made by the new County's first Institute.

Rev. J. H. D. Terral arrived in Roy Saturday for a few days visit with the Gray family. The Rev. preached a fine sermon to a large audience at the Christian Church Sunday evening. Mr. Terral is a forceful talker and we are always glad to have him with us as he is one of those jolly, good natured fellows we all appreciate getting acquainted with.

Henry Lebert, prominent Hotel Man of Mills, was transacting business in Roy this week.

In Memoriam

Sister Reginald who came to Roy several months ago, on the advice of her physician could not rally from the critical operations sustained in the spring.

She was a model of patience and never known to utter any slightest complaint in all her long illness.

Her willingness to die was most edifying to her Sister companions. She died happy.

Before joining the Dominican Sisterhood she was known as Miss Mary Bradley, born, raised and educated in Chicago, Ill.

She leaves to mourn her all too early loss, a fond father, five brothers and three Sisters, all grown up and residing in Chicago.

Her dear Mother preceded Sister Reginald in death about four years ago.

Of a very pleasing personality, she readily made, and held the respect and friendship of all with whom she came in contact. Sister Reginald served very efficiently in the role of musical instructress in several large schools in Illinois. Her last place of activity being at a large Boarding School for boys in Chicago. She ever enjoyed the love and esteem of her numerous pupils and many were the cherry, hopeful letters she received from them while in Roy.

The funeral was held from St George church and largely attended. Rev. Father Vachon officiated, while The Rev's. Chateau of Springer, N. M., and Chapult of Dawson, N. M., sang and rendered the solemn, beautiful Gregorian Requiem mass very feelingly. Rev. Father Chateau very ably presided at the organ also preached the sermon.

Burial was made in the Sisters plat in the beautiful Roy cemetery.

The pall bearers were the Messrs. A. Patrick, R. Shaya, A. Branch, E. McMinimy, W. Baker and J. Heimann.

The following young ladies clad in white dresses and black shoulder sashes, and wearing wreaths, served as honorary bearers. Misses M. Baker, I. Martinez, J. Gonzales, M. Gray, G. Martinez and C. Esquibel. Now we call thee Jesus' bride, So young and fair hast thou departed.

For Christ has placed thee by His side. A virgin's crown thy head is bearing, Pure lilies white thy robe adorning, Thy bridegroom looks on thee rejoicing.

Card of Thanks  
The Sisters of St. Dominic are grateful to the Reverend Oblate Fathers and many other kind friends who assisted after the death of our dear Sister Reginald. May God reward them.
